DAILY MILD BARE
FACE AMPOULE

Vita Energy Blemish Clear Ampoule 30ml

- ✓ **An innovative solution that prevents the dullness of the skin caused by UV rays**
By blocking melanin production deep within the skin, it helps maintain clean and bright skin. It works on all stages of melanin pigmentation to achieve the ultimate improvement in skin tone
- ✓ **Designed for sensitive skin, it allows for irritation-free blemish care both morning and night, thanks to Ranel's unique formula**
It solves the problem of pure Vitamin C, which easily oxidizes due to water, light, air, and heat, by incorporating a blend of three Vitamin C derivatives (Ethyl Ascorbic Acid, Sodium Ascorbyl Phosphate, Tetrahexyldecyl Ascorbate). This preserves the benefits of Vitamin C, such as antioxidation, whitening, and active oxygen suppression, while ensuring stability and non-irritation. It efficiently inhibits melanin formation, promotes collagen synthesis, and aids in improving skin elasticity
- ✓ **Clean and safe clean beauty**
ALL EWG green grade, German Dermatest EXCELLENT grade, Completed skin low irritation test

Mucin Biome Ampoule

Super Natural Moist Lock Ampoule **50ml**

✓ **Strengthened by Skin Probiotics**

With the inclusion of 55.6% Non-GMO (Non-Genetically Modified) Soy Milk Biome, which has undergone a 24-hour fermentation process, it helps to restore the skin's natural moisture retention ability, which is the cause of inner skin dryness, thereby improving the moisture barrier to be even more firm

✓ **Filled with richness in every drop with Lanbelle's exclusive recipe!**

With Lanbelle's proprietary natural moisturizing ingredient (M7 Solution), it strengthens the moisture barrier that forms a moisture protective film on the skin surface, locking in the filled moisture so it doesn't fly away!

✓ **Clean and safe clean beauty**
