

TEYE

Our brand specializes in *dermacosmetics,
utilizing our patented compounds that block inflammation and allergy mechanisms,
making them suitable for use by even the most sensitive individuals.
If you have sensitive skin, don't hesitate anymore and choose TEYE

***Dermacosmetics** is

"Dermatology + cosmetic" composite word
that refers to third-generation cosmetics with pharmaceutical functions

This is a skincare product used for professional care
at BOTS(Beauty of the soul) Aesthetic and BOTS Hair Shop.

If you haven't felt the differentiation of skincare products
at existing shops, please contact TEYE.

We will enhance the competitiveness of your shop
with strong product performance.
