# 3-SIDED BRUSH

A HANDMADE BRUSHES WITH NEW FUNCTIONS. [PATENT REGISTRATION]

---

Volume [waterproof | black] Long [waterproof | black] Curl Fix [waterproof | black]

## Volume & Curling Voluminous, light as air lashes

GLAMBUX DUPLEX MASCARA VOLUME [BLACK] WATERPROOF

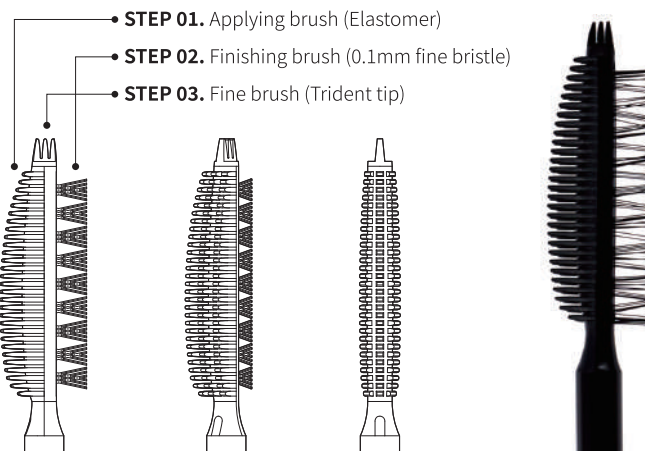

### Lush lashes that make eyes look bigger

The applying brush makes the formula closely adhere to lashes, and the V-shaped finishing brushes with no clumps for defined-looking eyes. The combination of Flexible Polymer and Soft Gelling Elastomer completes Big Eye Volume.

### Light volume & long-lasting curls

Just one touch makes lashes voluminous with minimized greasiness, so you can have light, refreshing, long-lasting curls without clumping. A water-proof mascara resistant to water, sweat, grease, sebum and smudging.

- **STEP 01.** Applying brush (Elastomer)
- **STEP 02.** Finishing brush (0.1mm fine bristle)
- **STEP 03.** Fine brush (Trident tip)

**STEP 01. Applying brush (Elastomer) :** Brush your lashes outwards and upwards from the root using the applying brush.

**STEP 02. Finishing brush (0.1mm fine bristle) :** Comb the lashes with the finishing brush for final touch.

**STEP 03. Fine brush (Trident tip) :** Adjust the formula at the fine brush and complete the under lash and roots elaborately.

GLAMBUX Duplex Mascara Volume [Black] Waterproof 0.17 oz. (5 g) \$ 10.99

## Elastic adherence, like lash extension

GLAMBUX DUPLEX MASCARA LONG [BLACK] WATERPROOF

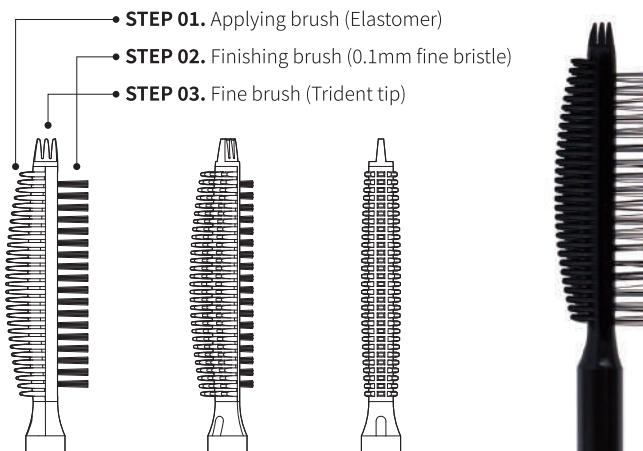

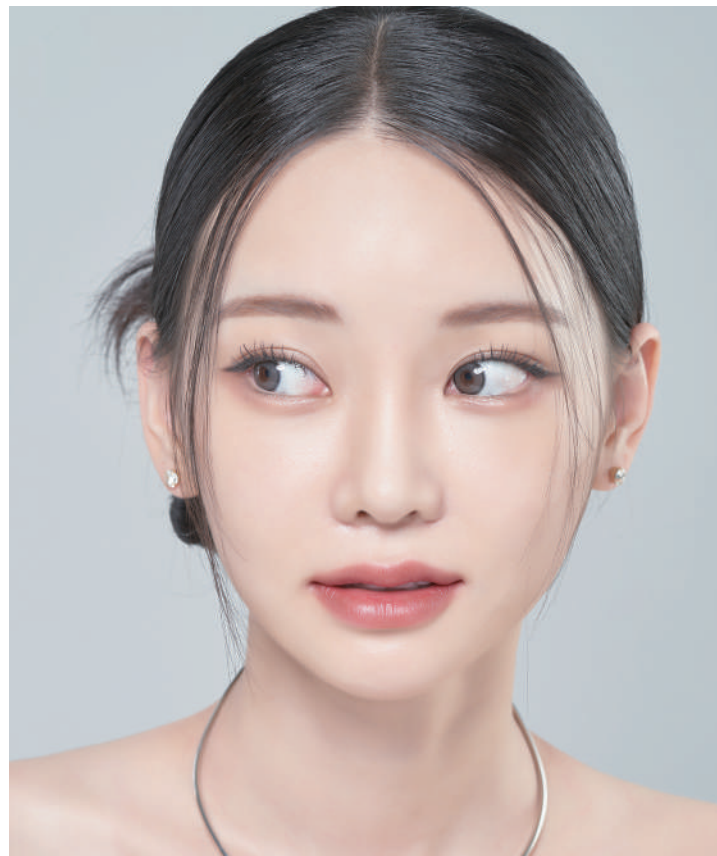

### Lash extension effect on hidden short lashes

The applying brush attaches fibers tightly to the lashes, and the linearly arranged finishing brush smoothens the fibers, resulting in natural-looking long lashes. It gives the lengthening and curl effects of lash-extensions, without missing even hidden short ones.

### Elastic adherence & Long-lasting effect

The elastomer with high adherence power attaches to lashes tightly for flawless eye makeup. The multi-proof functions like a shield against water, sweat, sebum and smudging, keeping your eyes neat with no need of constant correction. The light texture prevents drooping of the curl.

**STEP 01. Applying brush (Elastomer) :** Brush your lashes outwards and upwards from the root using the applying brush.

**STEP 02. Finishing brush (0.1mm fine bristle) :** Comb the lashes with the finishing brush for final touch.

**STEP 03. Fine brush (Trident tip) :** Adjust the formula at the fine brush and complete the under lash and roots elaborately.

GLAMBUX Duplex Mascara Long [Black] Waterproof 0.17 oz. (5 g) \$ 10.99

## Sturdy texture, natural and deep eyes

GLAMBUX DUPLEX MASCARA CURL FIX [BLACK] WATERPROOF

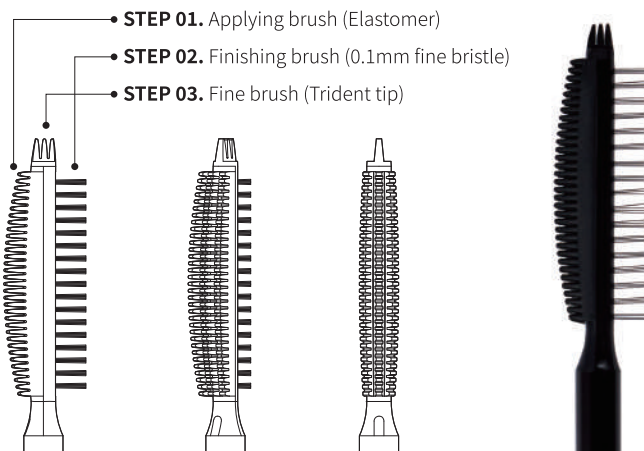

### Powerful but natural C-curl fixing

The applying brush makes the formula adhere tightly with curls, and the widely distributed linear finishing brush combs lashes without clumping, resulting in natural-looking curl. It is a C-curl fixing mascara that fixes lashes powerfully by one touch.

### Sturdy high adherence texture & perfect long-lasting effect

The matrix-structure gives powerful adherence and fixing power for long lasting, natural-looking lashes. The waterproof function resistant to water, sweat and sebum keeps your eyes neat with no need of constant makeup correction.

**STEP 01. Applying brush (Elastomer) :** Brush your lashes outwards and upwards from the root using the applying brush.

**STEP 02. Finishing brush (0.1mm fine bristle) :** Comb the lashes with the finishing brush for final touch.

**STEP 03. Fine brush (Trident tip) :** Adjust the formula at the fine brush and complete the under lash and roots elaborately.
